Hey,

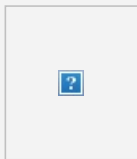

Just checking if you're coming down this way for the review?

Thanks,  
Aaron

We're on for reviewing bulb options tomorrow (wednesday) at 10:30am.  
Are you okay meeting down at the BID office?

Bob can't make it, but wants me to send pics of what we go with.

Thanks,  
Aaron

Sure, I can meet you at 10:30am on Wednesday! AND UGH about the Vegan Street Fest people. They are really nice, I will definitely have a conversation with them!

See you Wednesday.

Sounds good, thanks.

Just got the sample lights.

Are you available this Wednesday or Thursday to look them over with me? Say 10:30/11am?

Also, wanted to let you know the vegan fest folks left a huge mess along Chandler that we cleaned up this morning. Just a heads up for next year when they apply for permits.

Thanks,  
Aaron

Awesome, thanks Aaron. Let me work with our District Director to see if we need to do a formal letter, or if an email prioritizing your application will suffice.

Hi Angelina,

Couples updates on People St related items:

-We discussed the grant and the BID will be applying for the Arts Activation fund grant to program the People St over the summer months. We'll need to find someone to help us develop/cordinate the programming, but we'll work on that later. It looks like submissions are due on the 1st or 2nd Tuesday of each month. Can we get a letter of recommendation from your office for our app package?

-I have some sample bulbs being shipped to me from the lighting vendor. When I receive these, we can meet to review our bulb options and finalize.

-Potential trees/tall shrub species to look for the containers:

Crape Myrtle (Lagerstroemia)

Purple Hopseed (Dodonea Viscosa 'Purpea')

Palo Verde 'Desert Museum' (Cercidium 'Desert Museum')

That's it for now.

Thanks,  
Aaron
